**PROFESSIONAL STATUS (Check Appropriate boxes)**

- I am a Registered or Licensed Professional Engineer/Geologist. Jurisdictions of registration or licensure: \_\_\_\_\_  
 I am not a Registered or Licensed Professional Engineer/Geologist.  
 I remain in compliance with Article III of the SPEE By-Laws (see [www.spee.org](http://www.spee.org)) governing unregistered/unlicensed Engineers/Geologists.

**ANNUAL PROFESSIONAL DEVELOPMENT HOUR – ETHICS**

Article VI of the SPEE By-Laws requires that each member shall be guided by the highest standards of business ethics, personal honor, and professional conduct, and SPEE strongly recommends that all Members obtain one hour per year of formal or informal<sup>1</sup> ethics training to maintain the high standards of our organization. In accordance with Article VI of the SPEE By-Laws, please provide a true and correct certification regarding ethics as follows:

\_\_\_ (1) In the past 12 months, I have completed a continuing education course in ethics of sufficient length to satisfy the ethics requirement of professional licensing in the jurisdiction where I am licensed.

\_\_\_ (2) While I am not subject to a licensing-related ethics education requirement, either because I am unlicensed or because my jurisdiction of licensure does not have an ethics education requirement, I have completed a continuing education course in ethics within the past 12 months.

\_\_\_ (3) Though I have not completed any ethics education in the past 12 months, I have read and affirm my knowledge of the ethics requirements of Article VI of the SPEE By-Laws.

\_\_\_ I cannot certify any of the above.

Please be aware that failure to meet the ethics requirement through certification of (1), (2), or (3) above will subject the member to placement in the status of not in good standing with the Society, which will entail all penalties as outlined in Article XII, Section 2.

On a voluntary basis, please identify the course, seminar, presentation, self-study, or other means if such ethics education was undertaken in 2018:

\_\_\_\_\_

<sup>1</sup> Suggestions for informal training include review of Article VI and Appendices A & B of the SPEE By-Laws, and SPEE's *Discussion and Guidance on Ethics* available on the SPEE website. Attendance at the SPEE Annual Meeting ethics hour also fulfills this requirement.
